

# MWWA 102nd Annual Convention and Trade Show Registration

January 28-31, 2024  
Arrowwood Resort and Conference Center  
Alexandria, Minnesota

# Welcome to MWWA's 102nd Annual Convention and Trade Show!

## Dear Friends of the Minnesota Water Well Association:

As we continue into our second century, it is our hope that you will join us in Alexandria, Minnesota, for our 102nd annual event.

The MWWA has been very active in St. Paul and around the state this year, making great strides on behalf of our industry.

We thank you for your continued participation and look forward to seeing you in January.

Register now to attend and remember to also reserve your hotel room!

**Dave Schulenberg**  
Executive Director, MWWA

## Event Highlights

- Education and CEUs
- Awards
- Banquet
- Vendor interaction
- Casino Night

## MWWA Spouse Program

Join the MWWA Spouse Program for fun and fellowship.

On Monday morning we will be gathering at the hotel. We will be doing diamond art for beginners, sharing lunch, and enjoying each other's company.

If attending this event, please be sure to preregister for logistical purposes. Cost is \$65, which covers lunch and the program, as well as admittance to trade show floor. Please note if you would like to attend the banquet, the cost is an additional \$75. Please check the appropriate box(es) on the registration form.

See you in Alexandria!

MWWA is again offering this course for those needing CEUs for their plumbing license. Presenter Scott Thompson will be giving six hours of class time going over drainage, waste, and venting as it pertains to Minnesota’s Uniform Plumbing Code that went into effect in January 2016. This course includes horizontal and vertical wet venting, cross-sectional venting, and DWV sizing according to the code. Thompson will also be providing a two-hour presentation on the basics of water treatment. The course will include information and discussion on basic water chemistry, water testing, basic well contaminants, equipment, and application—all items critical to being successful in the water treatment industry. *(Please note this course requires an additional fee as stated on the registration form.)*
